If you have any questions, please call Mainstream Fund Services on 1300 133 451 or Coolabah Capital Investments on 1300 901 711.

Cleared funds will generally be available in your nominated bank account within 3 Business Days (T+3) of acceptance of a withdrawal request.

If your withdrawal request is received:

- before 3pm (Sydney time) on a Business Day and is accepted, you will generally receive the Withdrawal Price calculated for that Business Day; or
- on or after 3pm (Sydney time) on a Business Day and is accepted, you will generally receive the Withdrawal Price calculated for the next Business Day.

Access to your investment at the end of a distribution period may take longer as the Fund's unit price is placed on a temporary hold whilst the distribution is calculated. Distributions are processed quarterly and commence on the last business day of March, June, September and December.

If we receive an invalid or incomplete withdrawal request, the transaction request will be processed using the unit price applying on the business day we receive the correct documentation. The cut-off time of 3pm Sydney time still applies.

Terms used in this document have the same meaning as in the relevant Product Disclosure Statement, except where implied otherwise.

Please note we may use the data provided below to verify that your request is valid and correctly authorised.
